

RGB SUPER BRIGHT LED STRIP

CUT & CONNECT 14.4W 24V LED RGB STRIP

SPECIFICATION:

Power:	14.4W
Lumens:	290lm/m
CRI:	80
Colour Temp:	Multicoloured light output
Beam Angle:	120°
LED Type:	5050 SMD Chip
IP Rating:	IP65
Life Expectancy:	30,000hrs
Operating Voltage:	24V
Operating Temperature:	-20°C + 40°C
Start Time:	0.5sec
Cut Length/Spacing:	100mm
External Constant:	Constant Voltage
Dimmable:	Yes
Material:	Copper
Approvals:	CE, RoHS
Warranty:	1 year

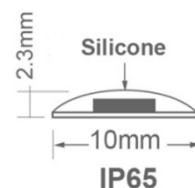

FEATURES AND BENEFITS:

- 24
- IP65
- Dimmable
- Super Bright High Quality LED Strip
- 25M Reel
- 100mm cut spacing
- Constant voltage
- Available in RGB Multicoloured light output
- 1 year warranty

(It is recommended Aluminium Extrusion is used on all LED Strip installs to reduce prevent premature failure. Warranty will be extended to 2 years if installed with Aluminium Extrusion)
