### Description

LED dimmable spotlight compatible with most dimmers, including Zano, Hamilton, MK, Lutron, Varilight, and many many more (For a full list please contact us). Lifespan of 30,000 hours, so they are a great replacement for halogen lamps. Available in three colours: Warm White 3000K and Cool White 4000K & Daylight 6500K. Housed in aluminium, which gives the product a sleek finish and excellent level of heat conductivity.
